National Pageant

IT'S SO EASY TO COMPETE AT APF!

Welcome

We invite each and every one of you to join us!

APF is truly a pageant for everyone! America's Perfect Face is a FACIAL beauty pageant.

This pageant is brought to you by the same directors who produced Tropical Dream Stars USA productions for 25 years! Our judges will be looking for a beautiful face. This is not a natural pageant system, styled hair and makeup is absolutely allowed and should flatter the contestant based on age. Supremes are based on your highest total beauty score + your ONE Highest optional event. The optional may be: casual wear, interview, talent, natural photo, natural print model or natural composite. You do not have to compete in every optional since only the one highest is used toward Supremes. Please call should you have any questions!

Martha Michaud

Executive National Director
